

NDLSA WORK PARTY SCHEDULES

The following events are currently scheduled for work-parties at the Light Station.

All workers must be current members of the Association and must sign the "ladders and power tools" liability waiver. Please be aware that all schedules are tentative; the only thing we can count on is the tide...

To participate, please call the designated contact.

Upcoming Events, no dates yet (Contact Scheduling for details)—

Spring 2012	Wellhead replacement
Spring 2012	Septic Tank Pumpout!!
Spring/Summer	Insulation in buildings
2012	Major safety upgrades, including irrigation sprinklers

Last Updated: November 4, 2011

Volunteer workers are transported out and back from our Carlsborg transport site in Association vehicles at the times listed on the schedule, as dictated by the tide. They must bring their own food, drinks and bedding. We have a kitchen, bathrooms and beds in the historic tower building; but no laundry facilities for workers. Most work events last from 1 to 2 days. Be sure to bring extra meals and any medications to allow for extra days- the spit is sometimes impassible due to weather. Cell phone coverage is pretty good. There is no land-line telephone. Pets are not allowed.

The Light Station is NOT ADA-compatible. Workers are expected to be able to climb stairs, carry tools or ladders and to operate power tools.

For additional information, contact the General Manager at (360) 683-6638, e-mail scheduling@newdungenesslightstation.com
